

## How to find the Grade Change Form

The Grade Change Form is now entirely online. To access this, sign into your My.IllinoisState.edu account.

The screenshot shows the My Illinois State dashboard. At the top, there is a navigation bar with links for Giving, News, Events, Map, Apply, MyI, and a search icon. Below this is the My Illinois State logo and a My IUID field with a Show IUID button. A secondary navigation bar contains links for Requests & Forms, Safety & Policy, Utilities, My Profile, and Logout. A red navigation bar at the bottom of the header contains links for Home, Academics, and Pay & Benefits. The main content area features three service tiles: Office 365 and Email (with a Login to Office 365 > link), ReggieNet (with a Login to ReggieNet > link), and a vertical list of links: iPeople >, Campus Solutions >, Academic Calendar >, Technology Support Center >, and Campus A to Z >. Below these tiles is a dark grey section titled "Announcements" with a white box containing the text "There are currently no announcements" and a View Archive > link.

Once you are in your My.IllinoisState.edu account, you can go to the “Academics” tab at the top navigation panel.

The screenshot shows the My Illinois State Academics page. The header is identical to the previous screenshot, but the Academics tab in the red navigation bar is highlighted. The main content area features a large "Academics" heading and a sub-heading "View your full class schedule, ReggieNet information, grade history and more." Below this is a "Class Schedule" section, indicated by a heading "Class Schedule" flanked by horizontal lines.

Scroll down to the “Teaching” section. The Grade Change Form is available here.

## Teaching

- **My Courses & Class Rosters >**  
*My.IllinoisState.edu*
